GENERAL OVERVIEW

Colegio Karl C. Parrish, founded in 1938, is a nonprofit, private, non-sectarian elementary and secondary school that is open to children of all nationalities. KCP integrates a bi-national, multicultural, and bilingual curriculum (Colombian and U.S.) with the purpose of offering its students a broad scope of the world.

95% of our students graduate with both diplomas. Our mission is oriented toward the formation of

well-rounded individuals with discerning and creative minds. The school recognizes the value of every human being and his or her right to liberty, respect, and personal development. The school's purpose is to prepare students to be ethical leaders who are capable of meeting global challenges and of addressing the continuous changes and demands influencing their country. The language of instruction is English and Spanish.

TRANSCRIPTS

The GPA is based on the cumulative grade average of the four years of high school. Transcripts show only grades obtained while the student has attended KCP.

Explanations of the grading system appear below.

At KCP, we do not rank students. The grades are calculated on a 4.0 scale, and the passing grade is 2.0.

In the 2022-2023 school year, Karl C. Parrish School shifted from a 100-point grading scale to a 4.0 scale in a Standards

- Based grading approach.

Important Note to Universities

The GPA shift on grades 11th and 12th for the graduating class does not reflect a decline in student performance, but rather an adjustment to a new grading system. We request your understanding and consideration when evaluating the GPAs of these students.
